Dear Brothers and Sisters,

March 2013

The time has come when I change my position in our Lodge from President to Immediate Past President and Financial Secretary. I have to say that it was an honor to serve as your President for 2 full terms – and I can't thank all of you enough for your support – not just of me but mostly for our Lodge and the things you have accomplished in making it successful growth of membership, in raising funds to provide scholarships and donations to many of our chosen charities and relief programs, while having a great deal of fun doing it. Our lodge is named for a great leader/ coach - Vincent Lombardi – and I believe, as he did, that leadership skills and success comes with the team that we are to lead and the support that goes in both directions. You have made my job easy and very rewarding.

I think you all know that having the support of your own family is critical and I have had that throughout. Sister Jenn, your incoming President, has been involved in all aspects of our Lodge which has made not only my life easier, but mostly because she understands what our membership wants thus making the transition very transparent. Although I will continue to support her, she is her own person and will lead us all with some fresh ideas and much enthusiasm. Congratulations to Sister Jenn and all the other members of the 2013-14 Council (Board). Please join us next Sunday for the Installation Brunch at Penfield CC.

I am very pleased to announce that our new District Deputy is Mike Cutillo from the Geneva Men's Lodge - Mike was our Lodge Deputy before Tony Idoni, and was a Past President of the Geneva Lodge.

It is important for all of us to realize that Italy has officially designated 2013 as the YEAR OF ITALIAN CULTURE IN THE UNITED STATES – **ANNO DELLA CULTURA ITALIANA NEGLI STATI UNITI**. We will be recognizing the culture and heritage of Italy. We can help by using this as the theme or focus in all of our events during 2013 as we used our 40th anniversary in 2012. We do this all the time so it will be easy. Being a member of the Order of the Sons of Italy in America says it all.

Our Winter Picnic / clambake was a huge success - great job to the organizers – Brothers Vince, Louie, Lou - can't wait till your encore!!!!

Sister Eunice and her Honoree Committee have indicated that it is time to close the process for selecting our 2013 nominees – so if you are interested in submitting a name please do so -in writing- by March 15.

In closing, our thoughts and prayers are with all have been ill or hospitalized and to those in our armed forces. From our family – President Joe, First Lady Nancy, Jennifer and Marisa.....**BUONA PASQUA a Tutti Voi**.

Fraternally,
President Joe

From the President - Elect

March 2013

Dear Brothers and Sisters,

As I sit here at my desk watching a mix of rain, sleet and snow pour down, I find myself with a rare problem (at least for me) – writer's block. Before Dad left on vacation last week he said I should write my first President's Letter for this issue of the newsletter. Wow, the pressure! I know, I've been writing notes to all of you for months talking about our growing membership and upcoming events and I send out emails with news in them but suddenly I have to sound like a President? Now I have to make a decision – do I want to continue my chatty little notes that you've all come to expect from me or do I get more formal?

I'm leaning towards a mix of both because after five years of newsletters and emails, you all know me pretty well. To try and change my writing style just because I gain a new title is just too much pressure. So from here on forward, I'll continue to write in my informal informational way but if something serious comes along that I need to relay then I'll make the adjustments as needed. I also encourage all of you to send me information, letters, stories, etc to fill the pages of our newsletters.

In the past several weeks our lodge has gone through the good and the bad. Two weekends ago we had our first Winter Picnic with a lot of fun for everyone. I think it was about 24 hours later that I got the call saying Sister Adeline Cimino had passed away. We also found out recently that Sister Ruth Provenzano had passed away. Both were long-time members and I think both would have wanted us to celebrate their lives with fun and laughter and not tears so that is what we shall do – more fun to be had, especially at upcoming events.

Next weekend is our New Officer Installation Brunch where we will be joined by State Trustee Anthony DiCostanzo and his wife Pam, our newly appointed District VIII Deputy Mike Cutillo and our own favorite Lodge Deputy Tony Idoni. So far we have about fifty members and guests attending but I haven't heard back from many of you – if you plan to attend I need to know right away so that I can give the country club an accurate count.

Upcoming events – I am happy to say that we will be meeting at Cibi deliziosi in Mendon for the third year for a regional dinner. This year's dinner will be on Sunday May 5th and the food will be from the Abruzzi region of Italy, at the request of some of our members who attended last year's dinner. Sister Rosita is preparing a menu for us and the flyer for that event will be in the April newsletter. I ask that you get your reservations back quickly next month as there is limited seating available and a short period of time to respond. Check out the calendar in this newsletter for other events and plan to join the fun and friendships.

Although we have no General Assembly Meeting in March because of the Installation Brunch, your council members and various committees have been hard at work getting ready for upcoming events and preparing for the transition of the new council taking over their responsibilities. We have met with an outside auditor at your request and he will be giving a presentation on March 7th at our Council Meeting to tell us what he has found after going through our records from the past several years. He will also be available to answer questions so even if you are not on the incoming our outgoing councils, you are welcome to attend this meeting at 7PM at the Casa Italiana – just let us know in advance so we know how many to expect.

I want to thank you all in advance for the support not only for myself as I begin my presidency but also for your past support of Dad. In the past four and a half years we've made great strides in bringing our lodge into the forefront of the local Italian American community and I'm hearing more and more that the word is out about how great our lodge is – and why shouldn't it be when we have the best members around? Our membership now stretches from Buffalo in the west to well out into Wayne County in the east and down into Ontario County to the south. We have lots of work ahead of us as we strive to maintain our progress and advance into the future. I look forward to being able to help lead our lodge in the directions that you, our members, want it to go.

As always, you are welcome to call me if you have something you'd like to discuss about the lodge, have an idea for an event or if you want me to pass along news to our brothers and sisters through the newsletter or by email. If you know of a fellow lodge member who has been ill or has had a death in the family, please let either Sister Ann Vazzana or myself know.

I wish you all a happy and blessed Easter Season. Please keep those that have been ill or lost a loved one in your thoughts and as always, pray for those that defend us around the world.

Fraternally, President Jenn

ITALIAN EASTER

Uova di Pasqua

Although Italians do not decorate hard-boiled eggs nor have chocolate bunnies or pastel marshmallow chicks, the biggest Easter displays in bars, pastry shops, supermarkets, and especially at chocolatiers are brightly wrapped *uova di Pasqua*—chocolate Easter eggs—in sizes that range from 10 grams (1/3 ounce) to 8 kilos (nearly 18 pounds). Most of them are made of milk chocolate in a mid-range, 10-ounce size by industrial chocolate makers.

Some producers distinguish between their chocolate eggs for children (sales numbers are a closely guarded secret, but the market for these standard quality eggs is said to be shrinking with Italy's birthrate) and expensive "adult" versions. All except the tiniest eggs contain a surprise. Grown-ups often find their eggs contain little silver picture frames or gold-dipped costume jewelry. The very best eggs are handmade by artisans of chocolate, who offer the service of inserting a surprise supplied by the purchaser. Car keys, engagement rings, and watches are some of the high-end gifts that have been tucked into Italian chocolate eggs in Italy.

IN MEMORIUM: Adeline Cimino

Penfield: 5/31/1918 - 2/16/2013. Predeceased by her beloved husband of 75 years, Peter Cimino. Adeline is survived by her children, Marlene (Don) Maggio, Peter (Sentina) Cimino & Bruce Cimino; grandchildren, Debra (Joseph) Tronolone, Lynn Marie (Randy) Catalano, Russell (Patricia) Militello, (Bill) Bailey, Alexandra Cimino, Nicholas Cimino & Christopher Cimino; 6 great-grandchildren; 6 great-great-grandchildren. Adeline was a retiree of Xerox Corporation, and a longtime member of the Sons of Italy, serving as financial secretary for many years. Her passions were family, music, dancing, hot dogs, pickles, shrimp, preparing great family meals, and animals. Adeline lived, loved and laughed with all her heart.

TRADITIONS OF ST JOSEPH'S DAY: Continued from last month's newsletter:

A most fascinating and beautiful thing that happens on St. Joseph's Day is the return of the cliff swallows (*Petrochelidon pyrrhonota*) to the Mission of San Juan Capistrano in San Juan Capistrano, California. The mission -- one of the oldest buildings in California, and a part of a string of 21 missions that line California's coast -- was founded on 1 November 1776, the Feast of All Saints, by the Franciscan priest, Bl. Junipero Serra, in honor of St. John Capistrano. It was begun the year before, with members of a friendly local Indian tribe helping to build. When word came that the Mission of San Diego was attacked by an unfriendly Indian tribe, the bells were buried and everyone took shelter until building could continue safely. When the mission was finally completed, a small town grew up around it, and this is where the legend of the swallows -- "las golondrinas" -- begins. It is said that one of the priests noticed a storekeeper in town angrily sweeping down the swallows' nests and chasing away the "dirty birds." The priest, being a Franciscan, of course invited the poor little birds to the Mission where there was "room for all." The birds, sensing the spirit of St. Francis around the place, followed and have remained loyal to the Mission ever since. No matter the origins of the story, the fact is that each year on 23 October, the swallows fly south for 7,500 miles to Goya, Argentina. There they winter until the end of February when they make their way home, arriving back at the Mission of Capistrano on St. Joseph's Day, where they are greeted with the ringing of church bells and great festivities. A love song was written with this return of the swallows as its focal point; recorded by the Ink Spots, Glenn Miller, Pat Boone, and Elvis Presley.
